

## The 2010 ICBA *Building BC* Photo Contest

We're all proud of the work independent contractors and businesses do in every corner of BC. Now you have the chance to show off just how you're helping our province grow with ICBA's first *Building BC* Photo Contest.

We want to see your pictures that highlight our industry in action across the province. Whether your company is large or small, whether the projects are residential, commercial, institutional, or industrial, we want to see your team in action.

All winning photos will be published in a future edition of *the independent* and we'll make sure the winners are highlighted to our industry and clients.

Photos will be judged in three categories:

**Building our Province:** This is about your teams at work. What we want to see are construction workers in action on a variety of projects. Showcase an innovative process. Highlight the value of teamwork. Show off the scale of the work being tackled.

**Tools of the trade:** It takes all our skills and experience in the open shop sector to get the job done – but it also takes some heavy tools. Show off your employees and your equipment at work. Show us how the tools of your trade help us move our industry forward.

**Work Safe:** The work we do day in and day out comes with risks. That's why health and safety are so important – for the well being of our workers, and for the strength of our sector. Photos highlighting health and safety practices in action can show the extra steps to get the job done safely.

All submissions will be reviewed by a team of judges at ICBA. The top photo in each category will win \$100 Home Depot gift certificate, while the runner-up in each category will be awarded a \$25 gift certificate.

### The following rules apply:

- You can enter as many pictures as you want, but each must be accompanied by a completed *contest entry form*.
- Photos must be original and previously unpublished.
- Photos can only be submitted via email in digital format with a minimum resolution of 300 dpi (high resolution .jpeg is preferred).
- Photos submitted will not be returned. All photos become the property of ICBA and may be used by ICBA in printed publications, on Web sites, in a slideshow and screensaver, displayed in our offices, in exhibitions or in any other media. We will ensure any publication includes appropriate attribution to the photographer.
- Submission deadline is October 31, 2010.

If you have any questions, contact Jason Keenan, ICBA Communications Director at [jason@icba.ca](mailto:jason@icba.ca) or 604-298-7795.
