

2010 Electrical Code Course

Starts August 5, 2010

The ICBA Electrical Code course is a comprehensive 8-½ week course comprising 50 hours of code instruction. This course is ideal for electricians and electrical contractors who need to upgrade their code knowledge.

In addition to covering all sections of the Electrical Code, the course will examine the following:

- ◆ Safety Standards Act
- ◆ BC Amendments
- ◆ BC Directives
- ◆ Electrical Safety Regulation
- ◆ Information Bulletins
- ◆ Safety Standards General Regulation

There will also be an opportunity for participants to discuss a variety of code related problems.

This course is recognized by the BC Safety Authority (BCSA) and is a pre-requisite for writing the Class A, B or C Field Safety Representative (FSR) Examination. Each successful participant will be issued a letter of completion, which is required before writing any exams.

Instructor – Vincent Yu

With 30 plus years of industry, code and inspection experience, Vincent Yu is one of the most well respected Electrical Code instructors in the province. Mr. Yu is recognized by the BC Safety Authority.
