

LEED[®] FOR CONTRACTORS

An Introduction for Contractors and Trade Contractors

Hosted by ICBA and Metro Vancouver, this half-day seminar is aimed at introducing LEED to general and trade contractors. The presenters will provide an overview of

- how LEED works
- the contractor's specific roles and responsibilities when undertaking a LEED project
- documentation requirements
- the practical details of how to navigate the LEED process to successfully deliver a LEED project.

Attendees will receive an accompanying guide, Green Construction: Introducing Green Buildings & LEED to Contractors.
