# Safety Merits Contest

Independent Contractors and Businesses Association of BC

## Contest Rules

The construction industry recognizes that a safe workplace is the responsibility of management and of the workers on site.

The industry realizes that those individuals who have taken great care to avoid injury to themselves and others are invaluable to their firm and an example for all workers.

The purpose of the **Safety Merits Contest** is for the industry to recognize these individuals, draw attention to their achievement and encourage others to follow their example.

**Contest closes December 4, 2009.**

- 1) All entrants must be employed by an ICBA member company on the day of the prize draw at the ICBA Board of Directors meeting in December.
- 2) Entrants must be employed below the superintendent level. Office staff are not eligible.
- 3) Entrants must have worked a minimum of **2,500 hours for one employer without any time lost due to an accident** as of September 30, 2009. Proof of hours may have to be submitted and verified. Note: The required hours need not have been worked consecutively with that one firm.
- 4) Names of those who meet the above criteria are to be submitted to the ICBA office by the employer to [lisa@icba.ca](mailto:lisa@icba.ca) in an Excel spreadsheet no later than December 4, 2009.
- 5) Names of employees submitted in previous Safety Merits Contests may be submitted again.
- 6) One name will be drawn at random from those submitted at the December ICBA Board of Directors meeting.
