*Get a feel for the cyclical nature of the construction industry as this event takes you through the past, present and future of the industry in BC. Speakers will give you a historical perspective of the industry and offer their thoughts on what things will look like moving forward with your career.*

## **Who Should Attend:**

YCP events are aimed at young people who are being groomed to take on more responsibilities within construction companies. They will meet their peers from general and sub trade contractors, design professionals and construction clients.

## **YCP**

Young Construction Professionals is a professional development group affiliated with ICBA dedicated to providing younger "Generation Y" members of the BC construction industry with events that facilitate self-improvement, innovation and relationship building. The goals are to educate and empower the future leaders of our industry.

**Search "Young Construction Professionals" on Facebook to join our Facebook group!**

### **Win a \$50 gift card to Boston Pizza!**

Just recommend another young construction professional that we should be talking to by giving us their email and you'll be entered into a draw for the gift card. \* Must attend event to collect prize
